Join us and be a part of this great cultural and heritage institution. Your generous support will help us acquire, house and conserve significant collection items, as well as mount exhibitions, events and programs.

MAKE A BEQUEST

One of the most meaningful ways you can ensure that State Library Victoria continues to thrive is to leave a bequest. Those who make a bequest to the Library are invited to join the Redmond Barry Society, which was established to recognise the generosity and support of Library benefactors. Members receive invitations to exhibition openings, collection viewings and exclusive functions throughout the year. To leave a lasting legacy through a bequest, please contact the Philanthropy team on (03) 8664 7589 or visit www.slv.vic.gov.au/get-involved/donate/make-bequest.

HOW BEQUESTS MAKE A DIFFERENCE

Before Dr Christopher Baker sadly passed away in 2020, it was his wish to establish a fellowship in memory of his late partner, Kerri Hall, a librarian at the Library from 2001 to 2017. Highly respected for her extensive knowledge of the Library's theatre and performing arts holdings, Kerri raised the profile of, and greatly enhanced access to, the collection through extensive cataloguing and digitisation projects. Kerri was born and raised in the Victorian Mallee district and always remained deeply connected to this region. As a result of Dr Baker's generosity, his estate endowed the Kerri Hall Fellowship for Performing Arts, open to creatives, artists and writers from Victoria's Loddon Mallee region. The inaugural fellowship commences in 2023.

GIVE TO THE COLLECTION AND CONSERVATION FUND

The State Library Victoria Collection and Conservation Fund supports the acquisition, conservation, preservation, digitisation and description of the State Collection. This critical work allows the Library to continue the legacy of collecting and sharing the stories of Victoria.

The fund ensures the Library continues to meet increasing demand with a comprehensive, accessible collection and a range of services that honour its commitment to provide access to knowledge for all.

STATE LIBRARY
VICTORIA

Dive into State Library Victoria's collections to reflect on the things that have grounded us in difficult times: our homes, gardens, families, stars, art and literature. Our contributors take a fresh look at the Howard Arkley Archive and investigate William Shum's editorship of *The Australian Home Beautiful*. They turn to the skies with the tale of a World War II crash in North Melbourne and a study

of photographs of a Transit of Venus expedition. New research on 19th-century photographs of Aboriginal families from north-east Victoria will help future generations trace their histories. And our librarians share their insights on a first edition copy of James Joyce's *Ulysses*, Edna Walling's rarely seen pictures, and the eccentric and striking work of artist Vali Myers.
